March Newsletter

## Ms. Nunweiler's Message

Dear Ralston School Parents & Caregivers,  
This month I wanted to share with you an exciting opportunity that has arrived at Ralston School for all of our students from Junior Kindergarten to Grade 9. Prairie Rose School Division is beginning a competitive Robotics program throughout the division and our own Mrs. Encinas is trialing this program right here at Ralston School. This means that we are lucky (March is the month of Luck) in a couple of ways; first because we have our very own Robotics expert on staff to help train teachers and work with students to help us all learn this new technology. Secondly, because we have purchased new Robotics equipment that we get to trial here at the school! On our March 15th, School Improvement day, teachers will be taking some time to become familiar with the Robotics programming and it's components with Mrs. Encinas. We hope that after this day of learning, teachers will be able to use the Robotics programs to support coding, creativity and technology learning in their classrooms. We are delighted to be able to show this as we move forward with this opportunity. Keep an eye on your Seesaw! Have a wonderful month of Luck!

Warm Regards,

Ms. Stacey Nunweiler

### Contact Us

If you have any questions, concerns or would like to book an appointment please feel free to reach out to me.

- 403-544-3535 Ext. 0
- [chelseasept@prrd8.ca](mailto:chelseasept@prrd8.ca)
- SeeSaw

### Mrs. Sept's Reminders

- If you have an updated Visitor Record, it needs to be sent into the office. It's a requirement for Alberta Education.
- Please let me know if you'll be picking up your child early, I will let the classroom teacher know & have them start to get ready!
- Next Hot Lunch will be April 25th!

### Volunteers

We're headed into the busy days of spring, please watch classroom newsletter/Seesaw for events (Track & Field) where we will need parents help!

### BATUS Ski Day

BATUS Ski Day on March 11th will be an Approved Absence for our BATUS Children. You must let Mrs. Sept know if your family will be attending and need to be marked as approved. If you don't let us know your child will be marked as absent.
