Ms. Nunweiler's Message

Dear Ralston Parents / Caregivers,

As we approach the final stretch of the school year, we wanted to give you a heads-up about some exciting plans we have in store for your children! The last two months of school are going to be filled with enriching field trips and engaging activities outside of the classroom.

We believe that learning extends far beyond the confines of the school walls, and these experiences offer invaluable opportunities for our students to explore, discover, and connect with the world around them. From educational outings to fun-filled adventures, we have carefully curated a lineup of activities designed to inspire and excite.

Here's a sneak peek at what's to come:

Field Trips Galore: Get ready for a series of educational field trips that will broaden your child's horizons. From visits to exciting learning experiences to nature excursions, each trip is carefully planned to complement our curriculum and provide hands-on learning experiences.

Outdoor Adventures: We'll be taking advantage of the warmer weather by spending more time outdoors. Whether it's exploring local parks, participating in sports activities, or enjoying nature walks, there will be plenty of opportunities for your child to soak up the sunshine and fresh air.

Special Events and Celebrations: As we celebrate the end of another successful school year, we'll be hosting a variety of special events and celebrations. From the Mother's Day breakfast to Track & Field, there will be plenty of opportunities for your child to showcase their talents and create lasting memories with their classmates.

We understand that the end of the school year can be a busy time for families, so we wanted to give you advance notice of these upcoming activities. Detailed information about each event, including dates, times, and permission slips, will be sent home closer to the event date via your homeroom teachers.

Thank you for your continued support, and we look forward to making these last two months of school truly memorable for your child!

Warm regards,
Ms. Stacey Nunweiler

Newsletter

Mrs. Sept's Reminders:

Please pay close attention to when your child is going on a field trip. These days they will need a bagged lunch that requires no warm-up.

Some Visitor Records have expired, if this is your family please be sure to email or pop in the office to give a copy.

Leave Requests:

For BATUS Families only: MOD Schools require that a "Leave of Absence During Term" form be filled out for ALL absences from school. This includes; holidays, full day medical, full day dental etc. If this is not done in the correct manner, your absence will be automatically unexcused.
