SCHOOL

MS. NUNWEILER'S MESSAGE

In the month of October, we are celebrating the many cultures that make up Ralston School. Culture is defined as 'the customs, arts, social institutions, and achievements of a particular nation, people, or social group'. At Ralston, we strive to celebrate the diversity and culture of those that are in our building while also celebrating that diversity and the different cultures that exist in our building is what makes us unique! There is no other school in Prairie Rose that houses students from as many different cultures as Ralston does. This diversity is something to be proud of and to learn from. Thank you to all of the parents who volunteered to present to our students. Without you, our Cultural celebration would not be the same experience. A big thank you to the teachers who have adapted lessons and brought cultural learning into their classrooms. Without your expertise, our students would not grow in their understanding of culture. It takes a community of learners to holistically grow our students.

PICTURE DAY- OCTOBER 14TH

School Pictures will be starting at 9am on October 14th. Please try to have your children to school promptly so they don't miss out.

Lifetouch has shared with us some tips for a great school picture day:

1. Help your child pick out clothes and colours that look good on them. Avoid slogans, logos, and big patterns.
2. Glasses are okay!
3. Any hairstyle works for Picture Day.
4. Keep kids relaxed and ready to be themselves.
5. Don't worry about "perfect"!

If you will be absent on Picture Day, please let me know ASAP so I can get a count into Lifetouch to hopefully schedule retakes.
