MS. NUNWEILER'S MESSAGE

December is a time for giving and receiving, celebrating family and participating in traditions. At Ralston School, we have many traditions that we participate in each year. One of them is our Christmas Concert. Due to COVID-19, the last few years we have had to adapt our tradition slightly to follow safety guidelines but this year, we get to go back to our original format. Each class is practicing a performance at the moment that they want to share with you on December 9th @ 1:00 pm. All of the students are working so hard to do their best in their performance and are so excited to be able to share with you again this year. Another of our traditions that we love is our Christmas Dinner that we do each year. This year, the Rosewood Bistro is going to provide us with a delicious Christmas dinner on December 12th during our lunch time. This year, we get to go back to sharing this special meal together in the gym with music and decorations to make it even more special. Our last tradition that we are excited for is our Winter Activity Week that happens from December 19th to 23rd. This week our students get to participate in a variety of activities such as sleigh rides, a Christmas movie day, and sending candy-o-grams to each other. December is always such a wonderful time of the year where our school community comes together to celebrate all things Winter. We hope you, our parent community are able to join us for many of our activities. I want to wish you a festive holiday season and a Happy New Year!

Sincerely,
Ms. Nunweiler
