WELCOME BACK TO SCHOOL

A WELCOME MESSAGE BY MS. NUNWEILER,

Welcome Back to the 2022 / 2023 School year! We hope you had a wonderful summer and are ready for another great school year! Our goal this year is to continue building a sense of community for all our students through engaging lessons/activities, feedback opportunities, and cooperative learning strategies. We are excited to kick off the year with our Back to School BBQ on September 9th, followed by our House Team Kick-Off event. Our House Teams will participate in various activities together to build team spirit. We encourage all families to come out and cheer on their House! Our House Teams give the students a team of people across the school that they can say hi to in the playground or lean on for support. The House Teams are an integral part of our school community and we can't wait to be able to do more team building this year! This school year is going to be great with all of us Growing and Learning Together!
